Thank you for your letter dated Aug. 28th, 2001.
Time was extended to Oct 5th, 2001, for any
additional comments I wished to make concerning
the Yucca Mountain high level Material Storage Site.

I consider this letter a "follow-on" to
comments I made in my previous letter dated
July 2nd, 2001, to Dr. Jane Summerson, EIS
document Manager. Please refer to that letter also.

I am going to quote the American Peoples
Encyclopedia, 1939 edition, Subject "Atomic
Energy" page 2-763; last paragraph; "Waste
Products. For economic reasons it is customary
in industry to seek uses for all waste products.

Their radioactivity is an added reason
for seeking uses for the fission-product
waste from nuclear reactors whether the
